

CSC152 Introductory Survey (Assignment 0) Spring 2007

Due: Wednesday, January 31 at 11:00am.

NAME: _____

How much programming experience do you have? In what languages?

Why are you taking the course?

What do you hope to learn in the course?

Do you have any questions about the course?

Are you nervous about the course? If so, about what?

Is there anything else I should know?
