

Class 54: What is Computer Science

Held: Tuesday, 11 December 2007

Summary: We begin to conclude our introduction to CS by looking beyond this course to what kinds of topics computer scientists often study.

Related Pages:

- EBoard.

Notes:

- For those interested, the policies on the final examination are available.
- Please email me your list of extra credit activities.
- We'll be doing some special activities in class today.

Overview:

- What is CS?
- Subfields of CS.
- Related Disciplines.
